Our Mission

- ▶ General Ship Suppliers:

Deck & Engine & Cabin
Safety & Navigation
B.A.Charts & Navigation Book
Measuring & Hand tools & Electrical
All types of Mooring Ropes & Wires
Safety equipment and instruments
Motors rewinding
Laundry and ironing services

Protective Floor Wall 70

“Protective Floor Wall 70” 300mt X 1mt Roll

The film we propose is approved in module “B”, SOLAS 74, IMO Res. A.653 (see the [certificate](#)). The rolls are 300 mt long to be easily handled by the cabin crew. The film is easily attachable on the carpet thanks to the self-adhesive part. Usually it is available in “stock”, otherwise there’s a production time 20–30 days long.
